The Thomas Wälde Team Fund

In early October 2008, Ian Laird and the late Prof. Thomas Wälde initiated a funding drive to support teams' participation in the FDI Moot. The fund raised over US \$5000, and distributed more than US\$3000 to teams in 2008.

The fund administrators have committed the balance to support teams in 2009, and led by Ian Laird the FDI Moot Board has launched a new appeal so that more teams can be offered assistance at an earlier stage in 2010. Without naming them individually here - many wished to remain anonymous, we thank all of our donors.
