**Donors to the Thomas Wälde Team Fund**

*Salzburg, 20 October 2008* - We are deeply saddened by the sudden death of Prof. Thomas Wälde in France on 11 October. Prof. Wälde played an important role in bringing the Centre for Energy, Petroleum and Mineral Law and Policy into the FDI Moot. Some of his broader achievements are reported at TDM and CEPMLP. With regard to the FDI Moot, it was only days before his death that together with Ian Laird, he launched an appeal to support teams’ participation in the FDI Moot. From the beginning of his involvement with the FDI Moot Prof. Wälde was always ready with good advice and hands on assistance. We will miss him.
