Case Committee

Each year’s FDI Moot Case Committee begins its work the preceding June. Liaising with the FDI Moot’s Board and Organisers, it develops a fact scenario and procedural background. Generally, the case evolves on the basis that the home and host State are parties to an IIA (BIT, MIT, etc), the New York Convention of 1958 and the Washington (ICSID) Convention of 1965. Generally, each year’s case will involve one or two “procedural” issues (e.g. jurisdiction, admissibility, interim measures, disqualification of arbitrator) and one or two “substantive” issues (e.g. expropriation, denial of justice, discriminatory treatment, violation of fair and equitable treatment and/or full protection and security standards). The Case Committee submits its final draft to the FDI Moot Organisers and Board for approval at the end of the preceding year, and the case is then published in February each year. The Case Committee remains responsible for responding to any requests for clarification (if scheduled) between June and August of each year.

The 2019 case involves the Respondent State blocking social media platforms for their alleged part in fomenting civil unrest. The three Claimants allege expropriation and violation of fair and equitable treatment, while the Respondent objects to the ICSID tribunal’s jurisdiction on the basis of its denunciation of the ICSID Convention and the plurality of Claimants. The Respondent also seeks to enjoin the Claimants’ international media campaign against it while the proceedings are in progress.

Mr Bhatia is an FDI Moot alumnus of 2016 NALSAR University of Law, India
Ms Chrysanthakopoulou is an FDI Moot alumna of 2015 and 2016, National and Kapodistrian University of Athens, Greece
Ms Lakhno is an FDI Moot alumna of 2016 and 2018, Lomonosov Moscow State University, Faculty of Law, Russia.
Ms Papanastasiou is an FDI Moot alumna of 2014 and 2017, National and Kapodistrian University of Athens, Greece
Ms Samsonova is an FDI Moot alumna of 2015, 2016 and 2017, MGIMO University, Russia

Bench Brief Committee

Each year’s FDI Moot Bench Brief Committee begins its work in March. It analyses the fact scenario and procedural background of the case and may submit confidential requests for clarification to the Case Committee (contemporaneously with the requests of the competing teams) and may liaise with the Case Committee and the Organisers regarding proposed responses to the requests. The FDI Moot’s Bench Brief Committee submits its final draft of the Bench Brief to the Organisers one week before the memorial deadline each year. The Bench Brief Committee may submit a revised draft one week before the orals if it believes the teams’ memorials have raised relevant, not previously considered arguments.

Mr Udhwani is an FDI Moot alumnus of 2016 and 2017, National Law University Jodhpur, India.

National Rounds
FDI Moot National Rounds 2019 listed in alphabetical order.

Egypt National Orals

Matouk Bassiouny & Hennawy’s arbitration department hosted the first Egypt National Round of the FDI Moot on 6-7 September 2019 in their office in Garden City, Cairo.

The Egypt National Orals are qualifying rounds, all teams from Egypt must participate with the top National team advancing directly to the Global Rounds. Teams do not need to submit skeleton briefs, and are evaluated on their oral performance only.

The winning team was Ain Shams University who participated under the team alias of Caicedo and subsequently proceeded to the Global Orals as team Visscher.

Ethiopia National Orals

The Ethiopia National Orals are qualifying rounds.

All teams from Ethiopia must participate with the top national team advancing directly to the All Africa Regional, or in case of overwhelming Internet and electricity problems, directly to the Global Rounds.

They do not, however, need to submit skeleton briefs, and are evaluated on their oral performance only.

Haramaya University is the local organiser and host of the Ethiopia National Orals which took place 12-13 October 2019 for the first time.

Having participated in the FDI Moot since 2014 it was no surprise that Haramaya University also won the National Orals as team Callinan. Unfortunately, due to visa issues the team could not participate in the Global Orals in Miami.
Kenya National Orals

The Kenya National Orals are qualifying rounds. All teams from Kenya must participate with the top national teams advancing to the (virtual) All Africa Regional. They do not, however, need to submit skeleton briefs, and are evaluated on their oral performance only.

Africa Nazarene University is the local organiser and host of the Kenya National Orals which took place 16-17 July 2019. The organizing committee furthermore consists of representatives of Mount Kenya University and Strathmore University as well.

The best teams from Kenya were Strathmore University (Higgins, Winner of the Kenya Oral Finals) and Africa Nazarene University (Fischer, Runner Up of the Kenya Oral Finals) with both teams advancing to the All Africa Regional Rounds.
South Africa National Orals

The South Africa National Orals are qualifying rounds. All teams from South Africa must participate with the top national teams advancing to the (virtual) All Africa Regional. They do not, however, need to submit skeleton briefs, and are evaluated on their oral performance only.

The Student Litigation Society was the local organiser of the South Africa National Orals which took place 3-6 July 2019.

The best teams from South Africa were University of KwaZulu-Natal, Pietermaritzburg (Aranguren, Winner of the South Africa Oral Finals) and a second team from University of KwaZulu-Natal, Pietermaritzburg (Schwebel, Runner Up of the South Africa Oral Finals) with both advancing to the All Africa Regional Rounds.
Viet Nam National Orals

The Viet Nam National Orals are qualifying rounds. All teams from Viet Nam must participate with the top national teams advancing to the Asia Pacific Regional. They do not, however, need to submit skeleton briefs, and are evaluated on their oral performance only.

The Vietnam Society of International Law VSIL is the local organiser of the Viet Nam National Orals which were hosted in Ha Noi 7-10 July 2019.

The best teams from Viet Nam were Hanoi Law University (Rigaux, Winner of the Viet Nam Oral Finals) and Foreign Trade University (Guggenheim, Runner Up of the Viet Nam Oral Finals) with both advancing to the Asia Pacific Regional Rounds.

Clifford Chance Singapore covered registration for winner and runner up. Sidley Austin Hong Kong covered accommodation for the winning team at the Seoul Regional.

The 9th annual Warsaw Pre Moot was organised by University of Warsaw and held at 26-27 October at the offices of Allen & Overy Warsaw.
The Thomas Wälde Team Fund

In October 2008, the late Prof. Thomas Wälde and Ian Laird initiated a fund to support teams’ participation in the FDI Moot. In 2019, €7000 were distributed among six teams. For teams from many countries, travel expenses to and accommodation costs at the hearing venue remain significant obstacles, thus we would like to thank those that responded to our appeal: Professor William Fox, Professor Shimpei Ishido, the Center for International Legal Studies (CILS), the International Academy of Trial Lawyers (IATL), the Society of International Economic Law (SIEL), and Skadden as well as Wilmer Hale and Three Crowns without whose substantial support the teams thus supported may otherwise not have been able to join the rounds in Miami.
